

Assignment

Wireframing

Name: Vardhan Kale

Assignment Instructions

upGrad

In one of the previous session, you developed a sketch for HealthieMe, a health and wellness application, which drives its users to take a holistic approach towards health. Based on the sketches that you made in the sketch assignment, you have to now design the wireframes for the HealthieMe app and submit them as per the guidelines mentioned below.

The guidelines for this assignment are:

1. Create the required wireframes and place the screenshot of each screen on relevant slides
2. Prepare a slide showing the navigational flow for your wireframes

Feel free to add more slides as needed.
